PROFESSIONAL SUMMARY
Innovative Artificial Intelligence Engineer with 4+ years of experience developing machine learning models, natural language processing pipelines, and scalable microservices. Proven track record deploying PyTorch and transformer models to production cloud environments.

TECHNICAL SKILLS
- Programming Languages: Python, JavaScript, TypeScript, SQL, Bash
- AI / ML / NLP: PyTorch, TensorFlow, Scikit-Learn, Hugging Face, spaCy, Natural Language Processing, Large Language Models (LLMs), Computer Vision, Pandas, NumPy
- Web & Backend: FastAPI, Flask, RESTful APIs, Node.js, WebSockets
- Cloud & DevOps: AWS, Docker, Kubernetes, CI/CD, GitHub Actions, Linux, PostgreSQL, Redis
- Methodologies: Agile, Git, Unit Testing, System Design

WORK EXPERIENCE
Senior AI Engineer | Apex Cognitive Systems | San Francisco, CA
Jan 2023 - Present
- Architected enterprise document processing system using PyTorch and FastAPI, reducing parsing latency by 45%.
- Fine-tuned transformer models for domain-specific Named Entity Recognition with 94.2% F1-score.
- Containerized microservices with Docker and deployed resilient clusters on AWS Kubernetes (EKS).
- Implemented automated CI/CD pipelines via GitHub Actions ensuring 100% test coverage with pytest.

Machine Learning Engineer | DataSphere Analytics | San Jose, CA
Jun 2020 - Dec 2022
- Developed predictive classification models using Scikit-Learn and Pandas on datasets exceeding 50 million rows.
- Built interactive REST APIs using FastAPI and PostgreSQL backend with Redis caching.
- Collaborated in cross-functional Agile sprint cycles to deliver quarterly AI roadmap deliverables.

EDUCATION
Bachelor of Technology in Computer Science & Engineering
University of California, Berkeley | 2016 - 2020 | GPA: 3.85 / 4.0

PROJECTS
- NeuralSearch Engine: Semantic vector search using Hugging Face transformers, FastAPI, and Docker.
- AutoParser AI: End-to-end resume information extraction pipeline using spaCy NLP and regex rules.

CERTIFICATIONS
- AWS Certified Solutions Architect
- Deep Learning Specialization
